

## MANUFACTURER'S CERTIFICATION STATEMENT

Silver Line® Windows & Doors certifies that certain exterior windows and doors that are ENERGY STAR® qualified for the climate zone in which they are installed may be eligible for the tax credits as set forth in the extension of the American Taxpayer Relief Act of 2013.

To qualify for the extension of the Tax Credit, exterior windows and doors must be ENERGY STAR qualified, and must be installed in your principal residence between January 1, 2018 and December 31, 2022.

**For more information on this Tax Credit, visit:**

It is important for the homeowner to retain this certification statement as well as the purchase receipt and NFRC label for each eligible window and door, as it may be requested by the Internal Revenue Service (IRS). Homeowners should consult their tax advisor to determine whether they qualify for any potential tax credits.

This document is only intended to certify that Silver Line Windows & Doors offers ENERGY STAR qualified options, and not as an assurance that a homeowner will qualify for any tax credit. Silver Line Windows & Doors assumes no liability regarding the homeowner's ability to obtain tax credits.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
