

BAY & BOW WINDOWS

Silver Line™ V3 Series bay and bow windows offer a variety of options, including exterior colors, interior wood veneers and finishes to complement your home. An insulated seat board is available to help keep your home more energy efficient.

FEATURES & BENEFITS

- Bay windows are available with casement or double-hung windows in 30° and 45° projections for a classic look
- Bow windows are available with casement windows in 10°, 15°, 22°, 30° or 45° projections and offered with 3, 4 or 5 windows
- Adjustable steel cable hanging support system allows for easy window leveling during installation
- Vinyl exterior for low maintenance
- Fusion-welded, heavy-duty vinyl, plus solid wood frames and mullions, for strength and durability
- Limited Lifetime Warranty*

Colors

Exterior Options

Windows and exterior of bay or bow frame are available in the following colors:

**Dark Bronze or Black exterior with White vinyl interior has a 10-year limited warranty. Printing limitations prevent exact color duplication. See your Silver Line dealer for actual color samples.

Interior Options

The interior frame of bay and bow windows is available in either oak or birch wood veneer and a variety of optional finishes.

Grilles

Grille Types

Choose from flat or contour profile grilles—between-the-glass for easy cleaning or Simulated Divided Lights (SDLs) for a more traditional look.

Grille Patterns

Choose from a variety of grille patterns. Additional patterns available.

Glass

Choose the glass option that best fits your needs:

- Low-E
- Low-E^{SC}

Frame Type

Insert frame for replacement projects where existing frames are in good condition.
